SECTION 2 — ABOUT THE PROGRAMME

Nature Patch, a subsidiary of Matter of Nature, organises nature-based experiential learning programmes for children and young adults. This summer camp is held at Nisarga Resort, located behind the Art of Living International Centre on Kanakapura Road, Karnataka — a well-maintained natural setting with open grounds, water bodies, trails, and outdoor activity areas.

Activities during the camp may include, but are not limited to: nature walks, guided treks, team-building games, outdoor cooking sessions, creative arts in nature, wildlife observation, stream or water-body interactions, and similar outdoor experiences. All activities are conducted under trained facilitators following established safety protocols.

SECTION 3 — ACKNOWLEDGEMENT OF INHERENT RISKS

I / We, the parent(s) or legal guardian(s) of the participant named above, understand and acknowledge that outdoor and nature-based activities carry certain inherent risks that cannot be entirely eliminated, even with reasonable care and precaution. These include, but are not limited to:

- Uneven terrain, roots, rocks, and natural ground surfaces that may cause trips, slips, or falls
- Exposure to insects, mosquito bites, bee stings, ants, and similar local fauna encountered in a natural outdoor environment
- Contact with local flora, including pollen or brushing against plants that may cause mild skin irritation or allergic reactions
- Weather-related conditions including heat, humidity, rain, or unexpected changes in weather

- Minor cuts, bruises, sprains, or physical fatigue arising from active outdoor participation
- Water-related activities at or near natural water bodies under supervised conditions
- Physical exertion beyond the participant's accustomed level of activity

Note on Ecological Exposure: The camp takes place in a natural resort environment where exposure to insects (including mosquito bites, bee stings, and ants) and local flora (including pollen or brushing against irritating plants) is a natural possibility. While the host will remind campers to apply repellent and avoid certain areas, the host is not liable for standard reactions to local insects or plants.

I / We confirm that I / we have fully informed Nature Patch of any medical condition, allergy, physical limitation, or special requirement the participant may have. I / We accept responsibility for ensuring the participant is in adequate physical health to participate in the activities scheduled.

SECTION 4 — SAFETY GUIDELINES & PARTICIPANT CODE OF CONDUCT

By signing this form, I / we agree that the participant will at all times:

- Follow all instructions given by Nature Patch facilitators and Nisarga Resort staff
- Remain within designated activity zones and not venture beyond boundaries without escort
- Wear appropriate footwear and clothing as advised for each activity
- Apply insect repellent as advised and exercise reasonable personal caution in natural areas
- Refrain from littering, harming flora, fauna, or the natural environment
- Not consume or carry any substance, food, or drink that conflicts with declared medical conditions
- Report any injury, illness, discomfort, or safety concern immediately to a facilitator
- Treat fellow participants, staff, and the natural environment with respect
- Comply with Nisarga Resort's property rules and guidelines at all times

SECTION 5 — ASSUMPTION OF RISK, LIABILITY & LEGAL PROVISIONS

(a) Assumption of Inherent Risks: I, the parent/guardian of the participant, explicitly acknowledge that a summer camp conducted in a nature resort environment like Nisarga Resort involves inherent ecological and outdoor risks (including but not limited to uneven natural terrain, insects, mosquito bites, fluctuating weather, and local flora). I voluntarily choose to permit my child to participate in these activities and, to the maximum extent permitted under applicable Indian law, I assume all risks associated with these natural, non-preventable occurrences.

(b) Limitation of Liability: I agree that Nature Patch (a subsidiary of Matter of Nature) and Nisarga Resort, including their directors, employees, and facilitators, shall not be held liable for any accidental injury, illness, or property damage arising out of these inherent natural risks, or resulting from my child's failure to adhere to the safety guidelines of the camp.

(c) Scope of Accountability: Nothing in this agreement is intended to limit or exclude liability for any loss or injury that arises directly from a proven breach of the core duty of care, gross negligence, or willful misconduct by Nature Patch or Nisarga Resort. The organisers remain bound to maintain standard, reasonable safety measures and protocols appropriate for a children's nature camp.

(d) Severability: If any part or provision of this clause is found to be invalid or unenforceable under the Indian Contract Act or the Consumer Protection Act by a competent court, the remaining portions of this agreement shall continue to be valid and fully enforceable.

SECTION 6 — MEDICAL CONSENT & EMERGENCY AUTHORITY

In the event that the participant requires urgent medical attention and I / we cannot be reached in time, I / we hereby authorise the camp organisers to seek emergency medical treatment on behalf of the participant. I / We agree to bear all costs associated with such medical treatment.

I / We confirm that the participant's medical information provided on this form is accurate and complete to the best of my / our knowledge.

SECTION 7 — FORCE MAJEURE & EVENT CHANGES

In the event that the camp is disrupted, postponed, or cancelled due to circumstances beyond the reasonable control of the hosts — including but not limited to extreme weather conditions, natural disasters, government restrictions, or sudden resort facility failures — Nature Patch will make reasonable efforts to provide alternative activities or reschedule the programme.

The host's liability in such unforeseen scenarios is strictly limited to the camp fee paid, subject to any non-refundable operational costs already incurred. Nature Patch will communicate any such changes to registered participants in a timely and transparent manner.

SECTION 8 — PHOTOGRAPHY & MEDIA CONSENT

Nature Patch may photograph or record video of camp activities for programme documentation, social media, and promotional purposes. Please indicate your preference below:

I consent to photographs/videos of the participant being used for programme and promotional purposes.

SECTION 9 — DECLARATION & SIGNATURE

I / We, the undersigned parent(s) or legal guardian(s), confirm that I / we have read and fully understood this document, including all clauses relating to inherent risks, limitation of liability, force majeure, and the scope of the organisers' accountability. I / We voluntarily agree to the terms set out herein, confirm the accuracy of all information provided, and consent to the participant taking part in the Nature Patch Summer Camp at Nisarga Resort.

Voluntary Participation *I / We confirm that the participant's enrolment in this camp is entirely voluntary. No coercion, misrepresentation, or undue pressure has been applied by Nature Patch or Nisarga Resort in obtaining this consent. I / We have had adequate opportunity to read, understand, and seek independent legal advice on this document before signing.*

Pre-Existing Medical Conditions *I / We declare that I / we have fully disclosed all known medical conditions, physical limitations, allergies, dietary restrictions, and behavioural or psychological conditions relevant to the participant's safe participation. I / We acknowledge that Nature Patch cannot be held responsible for any adverse event arising from a condition that was not disclosed at the time of registration or at the time of signing this form.*

Supervision Scope & Ratio *I / We understand that while trained facilitators will be present throughout all structured camp activities, Nature Patch does not guarantee one-on-one supervision of each participant at all times. Supervision is provided at a group level appropriate for the age group and activity type. I / We accept that momentary lapses in a child's independent movement within the camp grounds are inherent to a group camp setting and do not constitute a failure of duty of care.*

Transport & Commute *If transportation is arranged or facilitated by Nature Patch for any part of the programme, I / we acknowledge that travel on public or private roads carries its own inherent risks. Nature*

Patch shall not be liable for delays, minor accidents, or incidents occurring during transit that are caused by third-party drivers, road conditions, or other vehicles, provided reasonable care was taken in selecting the mode of transport.

Personal Belongings & Valuables *I / We acknowledge that Nature Patch and Nisarga Resort are not responsible for the loss, theft, or damage of any personal belongings, electronic devices, jewellery, cash, or valuables brought to the camp. Parents and participants are advised not to bring high-value items to camp premises.*

Food, Nutrition & Dietary Requirements *Meals and snacks provided during the camp are prepared in good faith to be wholesome and appropriate for children. I / We acknowledge that I / we have disclosed all food allergies and dietary restrictions in advance. Nature Patch shall not be liable for any reaction to food consumed that was not flagged at the time of registration. Nature Patch is not liable for any item consumed by the participant that was brought from outside the camp kitchen.*

Mental & Emotional Wellbeing *I / We acknowledge that participation in group activities, outdoor challenges, and new environments may occasionally cause emotional discomfort, homesickness, or anxiety in some children. Nature Patch facilitators are trained to handle such situations with care, but are not licensed mental health professionals. I / We agree that mild emotional distress inherent to new experiences does not constitute negligence on the part of the host.*

Behaviour & Disciplinary Action *I / We understand that Nature Patch reserves the right to remove a participant from the camp programme, without refund, if their behaviour poses a risk to themselves, other participants, staff, or the natural environment. In such cases, I / we will be notified immediately and will be responsible for arranging the participant's safe pick-up.*

Waiver of Claims by Heirs & Successors *To the maximum extent permitted under Indian law, I / we agree that this waiver is binding not only on myself / ourselves but also on my / our heirs, assigns, and legal representatives, with respect to any claims arising out of the participant's attendance at this camp.*

Indemnification *I / We agree to indemnify, defend, and hold harmless Nature Patch, Matter of Nature, Nisarga Resort, and their respective directors, staff, volunteers, and agents from and against any claims, damages, losses, or expenses (including reasonable legal fees) arising out of or related to the participant's wilful misconduct, breach of the code of conduct, or my / our misrepresentation of the participant's health or fitness to participate.*

No Guarantee of Outcome *I / We acknowledge that Nature Patch makes no guarantee of specific educational, physical, or developmental outcomes from participation in this camp. The programme is designed in good faith to provide an enriching experience, but individual results will vary.*

Jurisdiction & Governing Law *This agreement shall be governed by and construed in accordance with the laws of India. Any dispute arising out of or in connection with this agreement shall be subject to the exclusive jurisdiction of the courts of Bengaluru, Karnataka.*

Dispute Resolution In the event of any dispute arising from this agreement, both parties agree to first attempt resolution through good-faith discussion. If unresolved within 30 days, the matter shall be referred to a mutually agreed mediator before any formal legal proceedings are initiated.

Acknowledgement of Receipt of Camp Rules I / We confirm that I / we have received, read, and understood the Camp Rules and Schedule provided by Nature Patch at the time of registration. I / We agree to ensure the participant is familiar with these rules prior to the commencement of the camp.

Entire Agreement This document, together with any supplementary camp information provided at registration, constitutes the entire agreement between the parties with respect to the subject matter herein. It supersedes all prior verbal or written representations, understandings, or agreements. No amendment to this form shall be valid unless made in writing and signed by an authorised representative of Nature Patch.

Digital / Printed Signature Equivalence I / We agree that a scanned, photographed, or digitally submitted version of this signed form shall be considered as legally valid and binding as the original physical document
